

MGA Maize Drilling Courses

Tuesday 24th March 2020 - Sparsholt College, Hampshire, SO21 2NF

Friday 27th March 2020 - Severn Trent Green Power Ltd, Stoke
Bardolph Estate, NG14 5HL *(includes optional after-lunch tour of Stoke
Bardolph Crop AD plant)*

**Course will be £55+VAT per place for MGA Members to include refreshments and lunch.
Spaces are limited and offered on a first-come, first-served basis.**

*We would like to thank Väderstad for their sponsorship, and
Simon Griffiths and Nick Tinker for kindly offering to assist in the
outdoor component of the course.*

Seed drilling is one of the most important factors in good maize establishment; research suggests that poor establishment can lead to a 40% loss in yield.

Itinerary

9am - Registration with refreshments

9.30am - Simon Draper talks about theory behind decision making at drilling time, to include seed bed preparation, drilling depth, row width, seed populations and starter fertiliser use.

11am - Outside, practical drilling session, to look at drill setup and things to consider when in the field.

12pm - Course ends, light lunch
