

# Competition!

## ‘Best practice maize farming’

The Maize Growers Association (MGA) are looking for great photos of over-winter maize field management, including:

- Post-harvest cultivation
- Post-harvest crop establishment, e.g. cereal, hybrid rye
- Post-harvest catch/cover crops to aid over-winter nutrient retention and improve soil organic matter, pre a 2020 maize crop
- Undersown cover crop, either at time of drilling or at 6-8 leaf stage

Or other management options not included above.

Entries must be emailed to Sarah at [info@maizegrowersassociation.co.uk](mailto:info@maizegrowersassociation.co.uk) by **Wednesday 29th January 2020**, and must be accompanied by a description (the more, the better). Please note that, by sending the photo, you are giving the MGA permission to use it for publicity purposes.

The prize is a ticket to the 2020 Maize Conference on 6th February at Hilton East Midlands Airport, M1, Junction, 24 Derby Rd, Derby DE74 2YZ.

For more information, please visit the MGA website: [www.maizegrowersassociation.co.uk](http://www.maizegrowersassociation.co.uk)  
If you have any questions, please email the above address or call 01363 775040.
